

### **2010 Pinot Noir, Holstein Vineyard**

The 2010 Holstein is a co-fermented blend of Dijon 667 and 777 clones from the older blocks on the Vineyard. Situated in the heart of the Dundee Hills, this vineyard is owned and managed by Allen Holstein, The Dundee Hills vineyard guru. The vineyard itself is planted on the Volcanic Soil the region is famous for. The Holstein shows the classic red fruit and spice characters often associated with this cooler, clay based soil.

The wine spent 15 months in barrel, all French oak with 30% new oak in the final blend, which consists of our favorite barrels from this year's harvest. No filtering or fining prior to bottling.
