

2014 Pinot Noir, Clos Des Oiseaux, Eola-Amity Hills

In 2011 we began leasing a beautiful 2.8 acre vineyard on the South East slope of the Eola-Amity Hills off of Spring Valley Road. Slowly, with the help of great friends, Ken began to learn about farming, doing tractor work, sprays and lots of the hand work within the vines. Today the vineyard is farmed Organically. The vineyard has a river of thin soil running through the middle with deep clay on either side, generating very diverse fruit from the site.

The vineyard is planted to Dijon 114, Dijon 115 and Pommard clones of Pinot Noir, all of which are co-fermented with native yeasts and then aged for 15 months in barrel, all French oak with 40% new oak in the final blend. The wine is not filtered or fined prior to bottling.
